

G SERIES WARRANTY

If the Customer discovers, within the Warranty Period, a defect in material or workmanship, the Customer shall notify Mailhot within 30 days from this discovery in order to obtain a return authorization.

In order to facilitate the processing of the request, make sure to have the cylinder serial number in hand.

Take note that this Mailhot warranty does not cover the following:

- 1) Modification of Mailhot cylinder and its components or Mailhot hydraulic component by the buyer or user
- 2) Repair work on a Mailhot cylinder and its components or Mailhot hydraulic component that has not been authorized by Mailhot Industries Inc.
